

HOW TO READ YOUR MISSOURI CONTENT ASSESSMENTS SCORE REPORT

Overview. This score report provides your test results for the Missouri Educator Gateway Assessments (MEGA) Content Assessment that you took on the test date(s) listed.

Detailed Performance Information. This section of your score report contains information regarding your performance on each competency or domain of the assessment. This information can help you identify your relative strengths and weaknesses.

Multiple-Choice Questions: For each competency or domain, you will find the number of scorable questions on the test and a graphic indicator of your performance, as follows:

	Performance is well below the level represented by the state benchmark.
	Performance is just below the level represented by the state benchmark.
	Performance is just at or above the level represented by the state benchmark.
	Performance is well above the level represented by the state benchmark.

Constructed-Response Assignments (if any): For each assignment, you will find a graphic indicator of your performance, as follows:

	Performance is well below the level represented by the state benchmark.
	Performance is just below the level represented by the state benchmark.
	Performance is just at or above the level represented by the state benchmark.
	Performance is well above the level represented by the state benchmark.
Unscorable	Your response was designated unscorable.*

***Unscorable:** Your response was designated unscorable if it was unrelated to the assigned topic, illegible, not in the target language, not of sufficient length to score, merely a repetition of the assignment, or completely blank.

Reporting of Scores. Your scores are reported directly to the Missouri Department of Elementary and Secondary Education and the Missouri educator preparation program(s) that you indicated when you registered. This score report is for your information only. Keep a copy for your permanent records.

Test Preparation Materials. The test framework describes the content knowledge and skills assessed. The framework, study guide, and other test preparation materials are available on the MEGA website at www.mo.nesinc.com.
